The *Catherine of Siena Institute* (CSI) is an affiliated ministry of the Western Dominican Province dedicated to equipping parishes for the evangelization and formation of lay Catholics

for the sake of their mission to the world.

The Institute provides innovative resources and programming that are faithful to the teaching of the Church and will enable parishes to become lively and dynamic centers of evangelization and formation.

Since our founding in 1997, we have worked with over 100,000 lay, religious, and ordained Catholics in hundreds of parishes in 137 (arch)dioceses on 5 continents.
